

Everbrite Your Smile

Order No. 652

Everbrite® In-Office Tooth Whitening Kit

- The unique formula of powder and water can maintain the concentration of the chemical in separate packaging. It can be mixed during the operation of the clinic. The whitening effect is the best. It can be stimulated by the light source to make the tooth whitening effective.
- The whitening formula is safe, efficient, fast, and the whitening result is excellent and long lasting.
- After the operation, continually using Everbrite® At-Home Whitening Kit, the whitening effect will be more remarkable.

CONTENTS : Liquid 2ml 3pcs, Powder 0.6g 3pcs. Mixing Sticks, Shade Guide, Delivery Syringe and Tips. Sofdam 2g 3pcs.
